EXPERIENCE

Mar del Plata, Argentina 2022 - present
DigitalArts

Creative Lead/Owner - Since 2022, I decided to start my own design and development agency, having formed an extraordinary team. I had the opportunity to work with major brands in Argentina, the United States, and England.

New York, NY, United States 2021 - 2022
Silver Lining Limited

Creative Lead - As Silver Lining's Creative Lead, I am in charge of leading the design process in collaboration with the Creative & Content Manager, including initial requirements definition and conceptualization, as well as development.

Buenos Aires, Argentina 2014 - 2021
Shell Argentina

Visual Designer - On my last position I was the responsible of designing and developing graphic & media pieces for the Convenience Stores Network (almost 50 COs). I also collaborate with the DOs Network (more than 250 convenience stores).
